

## Deutsche Akkreditierungsstelle GmbH

**Entrusted according to Section 8 subsection 1 AkkStelleG in connection with Section 1 subsection 1 AkkStelleGBV**

Signatory to the Multilateral Agreements of EA, ILAC and IAF for Mutual Recognition

# Accreditation

The Deutsche Akkreditierungsstelle GmbH attests that the certification body

### **VDZ Service GmbH**

**Toulouser Allee 71, 40476 Düsseldorf**

is competent under the terms of DIN EN ISO/IEC 17065:2013 to carry out certifications of products, processes and services in the following fields:

**Building materials with the associated certification schemes for the products:  
Common cements and cements with special properties and hydraulic binders**

**Certification of construction products (systems of assessment and verification of constancy of performance 1+/1) and factory production control (system 2+) within the framework of Regulation No 305/2011 laying down harmonised conditions for the marketing of construction products (construction products regulation)**

The accreditation certificate shall only apply in connection with the notice of accreditation of 20.05.2022 with the accreditation number D-ZE-16069-01. It comprises the cover sheet, the reverse side of the cover sheet and the following annex with a total of 6 pages.

Registration number of the certificate: **D-ZE-16069-01-00**

Berlin,  
20.05.2022

Dipl.-Ing. Evelyn Körner  
Head of Technical Unit

Translation issued:  
24.02.2023

By proxy  
  
Head of Technical Unit

*The certificate together with the annex reflects the status as indicated by the date of issue.*

*The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at <https://www.dakks.de/en/accredited-bodies-search.html>.*

This document is a translation. The definitive version is the original German accreditation certificate.

See notes overleaf.

Office Berlin  
Spittelmarkt 10  
10117 Berlin

Office Frankfurt am Main  
Europa-Allee 52  
60327 Frankfurt am Main

Office Braunschweig  
Bundesallee 100  
38116 Braunschweig

The publication of extracts of the accreditation certificate is subject to the prior written approval by Deutsche Akkreditierungsstelle GmbH (DAkKS). Exempted is the unchanged form of separate disseminations of the cover sheet by the conformity assessment body mentioned overleaf.

No impression shall be made that the accreditation also extends to fields beyond the scope of accreditation attested by DAkKS.

The accreditation was granted pursuant to the Act on the Accreditation Body (AkkStelleG) and the Regulation (EC) No 765/2008 of the European Parliament and of the Council setting out the requirements for accreditation and market surveillance relating to the marketing of products. DAkKS is a signatory to the Multilateral Agreements for Mutual Recognition of the European co-operation for Accreditation (EA), International Accreditation Forum (IAF) and International Laboratory Accreditation Co-operation (ILAC). The signatories to these agreements recognise each other's accreditations.

The up-to-date state of membership can be retrieved from the following websites:

EA: [www.european-accreditation.org](http://www.european-accreditation.org)

ILAC: [www.ilac.org](http://www.ilac.org)

IAF: [www.iaf.nu](http://www.iaf.nu)

## Deutsche Akkreditierungsstelle GmbH

### Annex to the Accreditation Certificate D-ZE-16069-01-00 according to DIN EN ISO/IEC 17065:2013

**Valid from:** 20.05.2022

**Date of issue:** 20.05.2022

Holder of certificate:

**VDZ Service GmbH  
Toulouser Allee 71, 40476 Düsseldorf**

Certifications of products, processes and services in the fields:

**Building materials with the associated certification schemes for the products:  
Common cements and cements with special properties and hydraulic binders**

**Certification of construction products (systems of assessment and verification of constancy of performance 1+/1) and factory production control (system 2+) within the framework of Regulation No 305/2011 laying down harmonised conditions for the marketing of construction products (construction products regulation)**

*The management system requirements of DIN EN ISO/IEC 17065 are written in the language relevant to the operations of bodies certifying products. Certification bodies that conform to the requirements of this standard, operate generally in accordance with the principles of DIN EN ISO 9001.*

*The certificate together with the annex reflects the status as indicated by the date of issue.  
The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at <https://www.dakks.de/en/accredited-bodies-search.html>.*

**2 Certification of construction products (systems of assessment and verification of constancy of performance 1 and 1+) and certification of factory production control (system 2+) within the framework of EU Regulation No 305/2011 laying down harmonised conditions for the marketing of construction products (construction products regulation)**

<sup>1)</sup> For assessment and verification of constancy of performance

<sup>2)</sup> Harmonisation in preparation

*The requirements in accordance with Article 43 of the Construction Products Regulation for a certification body for products and a certification body for factory production control in accordance with Annex V of the Construction Products Regulation are fulfilled. Tasks that are required for certification and are not performed by the certificate holder are set out in the list of subcontractors.*

*The certification body is allowed to use new revisions of harmonised technical specifications without the prior approval of Deutsche Akkreditierungsstelle GmbH.*

**Annex to the accreditation certificate D-ZE-16069-01-00**

*The certification body is allowed to apply the certification schemes for the product groups listed below to new products within the product family without the prior approval of Deutsche Akkreditierungsstelle GmbH.*

*Aggregates for uses with high safety requirements  
Aggregates/aggregates for concrete  
System 2+*
